

### INTRODUCTION

MU400 是集佳在 2018 年推出一款輕便可攜式設備. 它可以將你的平板或手機立即轉換為支援 EPC Class 1 Gen2 UHF, 無須特定的轉換線. 也可支援 USB TYPE C

MU400, 也是一款尺寸小低成本 並且符合 EPC Class 1 Gen2 Multi-Reader Mode / ISO 18000-6C standard 標準. 它適合使用在不同的應用市場如快速盤點,文件管理

MU400 除了內建一款短距離的天線外也預留了可外接線的 connector, 可以搭配不同短距離天線. MU400 也提供簡單設定軟體讓用戶可以修改相關設定以及選擇不同尺寸的天線, 也提供了 Windows and Android SDK 供開發自有的 APP 以及軟體

### Standard Configurations:

- ✓ **MU400C-00**---- USB Interface 902~928MHz
- ✓ **MU400C-30**---- USB Interface 865~869MHz
- ✓ **MU400C-40**---- USB Interface 922~928MHz
- ✓ **MU400H-00**---- USB HID Interface 902~928MHz
- ✓ **MU400H-30**---- USB HID Interface 865~869MHz
- ✓ **MU400H-40**---- USB HID Interface 922~928MHz

### USB TYPE C Connector

### FEATURES

- UHF Chipset embedded
- Compliant to ISO 18000-6C,EPC Class1 Gen2.
- Fully interoperable in different global regulatory environments such as US,EU,KOREA...ETC.
- Easy to install
- Built-in single antennas
- Adjustable Output Power
- Ultra low Power Consumption
- Power supply 5 VDC +/- 5%
- Low cost, ultra small outline 55 x 33 x10 mm
- USB TYPE C Support
- Low Power,Low profile for portable designed
- Android 5.0 and above OS version
- Read and write EPC Gen2 compliant tags with your own tablet or smart phone
- Small, convenient, affordable, and durable reader for short range use (read range varies from 5 to 30 cm depending on tag and environment)

### Application

- Inventory Control
- Document Tracking
- Warehousing
- Production Automation
- Library
- Logistics
- Assets Tracking
