## **FCC compliance statement**

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communication.

Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at this own expense.

## **CE Approval**

All Giga-Tms products are with CE compliance

## **RoHS/WEEE Compliance**

All Giga-Tms products are with RoHS/WEEE compliance with European Union RoHS Directive.
